****IMPORTANT NOTICE****

We do not offer legal advice at our support group meetings. Legal advice can only be obtained from a lawyer. We DO NOT have a lawyer in attendance at our support group meetings. Our free support group meetings are chaired by a senior certified law clerk who is also a divorced father and an adult child of divorce. Our Support Group meetings are a place to share and exchange personal experience and knowledge about the process of separation and/or divorce. Discussions at our meetings are of a supportive nature so that fathers can gain a clearer understanding of separation/divorce from the perspective of fathers who have had success in Family Court. Meeting dates are subject to change – please check our main website for updates: www.Fathers-Resources.com
